Committee to Restore
Carbondale City Hall, Inc.

POST OFFICE BOX 151
CARBONDALE, PA 18407.

June 21, 1982

Mr. A. J. Sandone
1805 Electric Street
Scranton, PA 18509

Dear Mr. Sandone:

I am writing this letter to you to tell you that I enjoyed very much your Suburban Profile of Carbondale ("Carbondale: Birthplace of Coal Industry") that was published in the Pictorial Magazine of The Scrantonian on June 13, 1982.

As a citizen of Carbondale who is proud of Carbondale's past and optimistic about Carbondale's future, it gave me a great deal of pleasure to see your excellent photographs of some of the primary historical features of Carbondale (City Hall, Memorial Park, Main Street), and to read the succinct, informative and wholly positive text that accompanied those photographs. As the President of The Committee to Restore Carbondale City Hall, I was particularly pleased to see your three photographs of City Hall and to see City Hall described as "Carbondale's historic City Hall." Earlier this year, through the efforts of the Committee, Carbondale City Hall was listed on the Pennsylvania Inventory of Historic Places. Earlier this month, again, through the efforts of the Committee, the building was nominated for listing on the National Register of Historic Places.

The Committee is presently soliciting bids for the repair of the roof and for the cleaning and repair of all exterior masonry of City Hall. During Carbondale's Pioneer Days, August 23-28, 1982, The Committee will sponsor a week-long series of educational and historical activities that will take place in and around Carbondale City Hall.

The Committee is very proud of Carbondale City Hall and of the City of Carbondale, and we thank you for your excellent profile of our City.

Sincerely,

S. Robert Powell

S. Robert Powell
